## **Sullivan County has drug discount card**

**NEWPORT** — Sullivan County has launched a discount card program to help consumers cope with the high price of prescription drugs. The county is making free prescription drug discount cards available under a program the National Association of Counties sponsors that offers average savings of 20 percent off the retail price of commonly prescribed drugs.

The cards may be used by all county residents, regardless of age, income, or existing health coverage, and are accepted at many of the pharmacies in the county.

Cards will be available at the County Commissioners' Office, 14 Main St., Newport, at the county's Unity complex, at each town clerk's office and Claremont City Hall. County residents can call toll free (877) 321-2652 or visit <https://naco.advancex.com> for further information or assistance with the program.
